

Harvey McKay Biography January 2016

Harvey McKay has created a distinctive style with a name that is synonymous with driving, soulful techno. The sound of his productions and sets are unique and instantly recognisable as Harvey's sound.

2015 was a great year for Harvey McKay's music with three top tens on Drumcode, Intec and Octopus. He also released his Alpha 4 track as part of the Slam presents Glasgow: Transmissions series on Soma Records, which recently won 'Best Compilation' at the DJ Mag Awards.

With 3 Beatport Techno No. 1's to date and 9 top 10 releases he has worked with some of the biggest labels in techno, having released on Drumcode, Bedrock, Soma, Cocoon, Saved and Intec.

As well as an impressive discography, as a performer Harvey is constantly touring the world and playing some of the biggest clubs around the globe – Space Ibiza, Awakenings. Rotterdam Rave, Ultra Music Festival, Space Miami, Fabric London & Sonar to name a few.
